Yearbook

Holliday High School

Holliday, Texas

FOREWORD

The purpose of the 1956 annual is to record the deeds of the boys and girls who for the past year embodied the spirit of Holliday High School.

In the years to come, this yearbook will keep alive the memories gathered during the undergraduate days. The future years will bring new faces and changes to the school scene, but this shall be for us a record of the friends we knew, the things we did, and the memories that are still dear to us.

Editor

Jimmy Heller

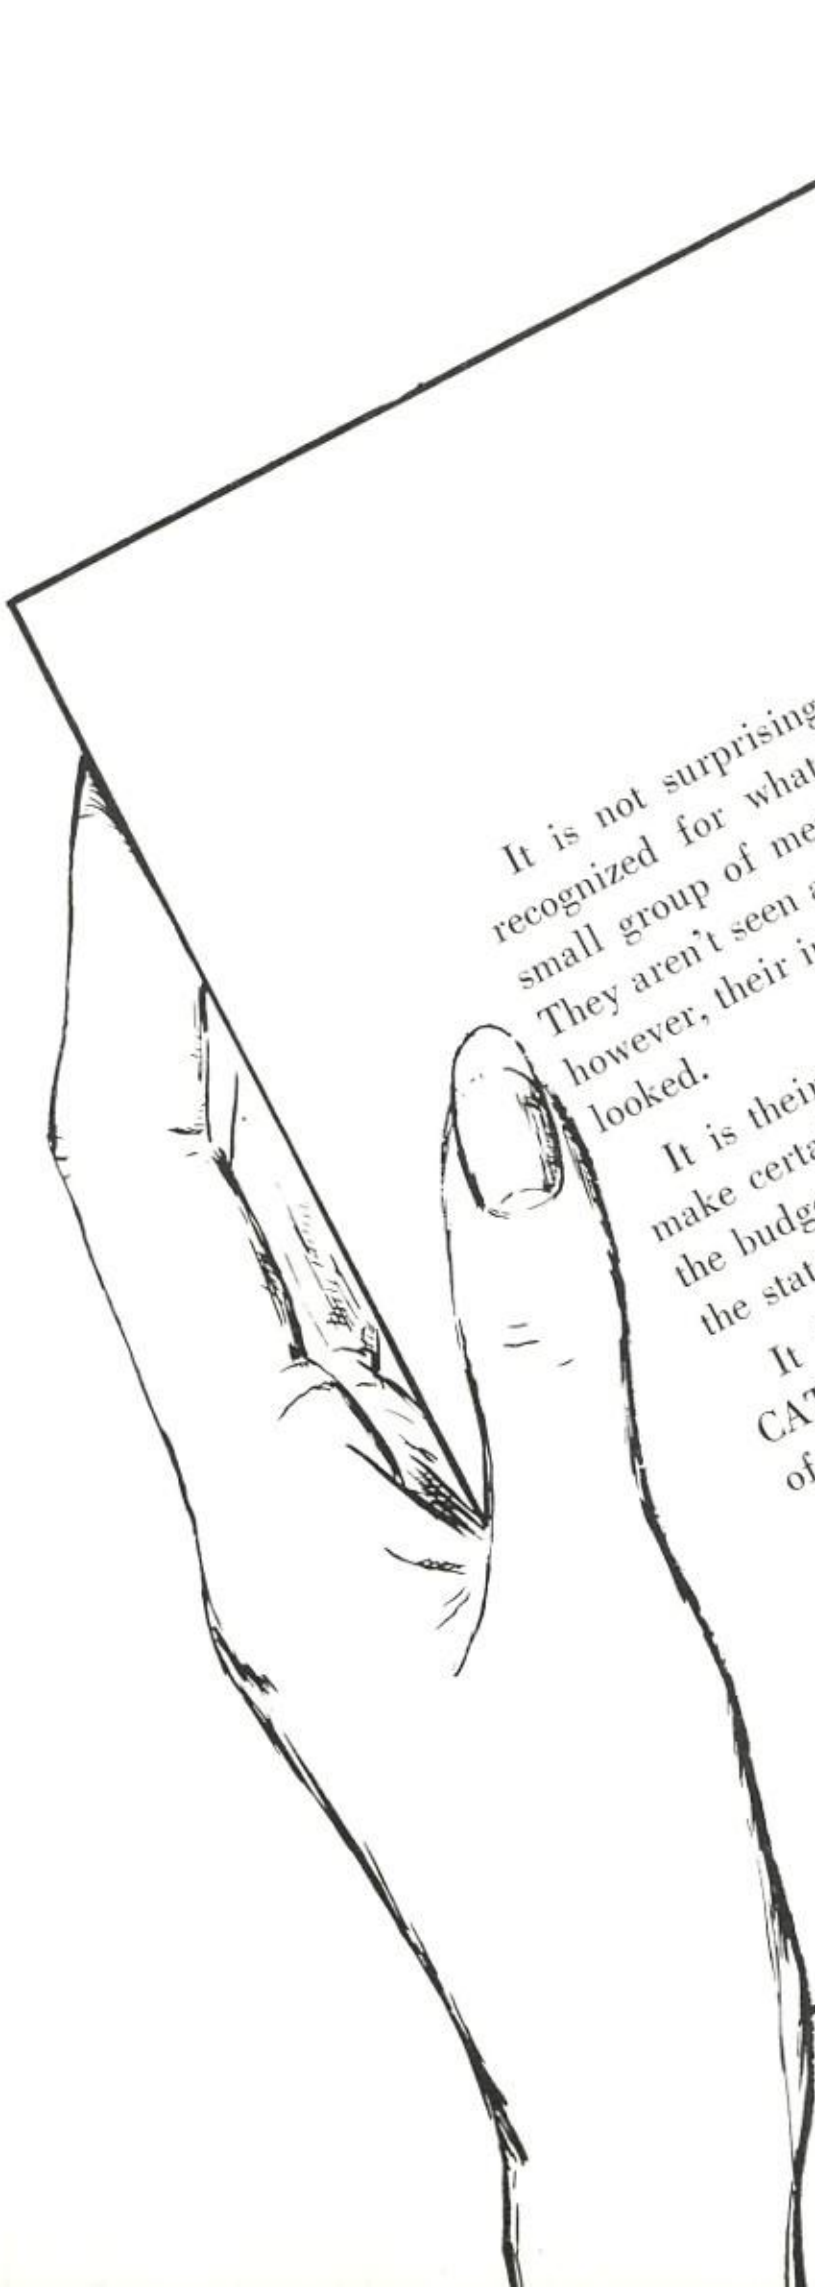

Jimmy Heller

It is not surprising that the board is not recognized for what it does. You see, this small group of men is known to only a few. They aren't seen at the school during the day; however, their importance can hardly be overlooked.

It is their job to hire the teachers and to make certain that the school functions within the budget and meets the requirements set by the state.

It is with great pleasure that we DEDICATE the 1956 EAGLE to you, MEMBERS of the BOARD of EDUCATION.

THE 1956 EAGLE STAFF

Left to right: J. D. Walden, R. E. Cannon, Secretary; G. D. Noles, C. I. Ford, W. R. Mankins, President; G. L. Finnell, Vice President.

HOLLIDAY HIGH SCHOOL

What every community needs in its school is a wide awake, energetic and industrious student body. This need has been met by the students of Holliday Independent School District.

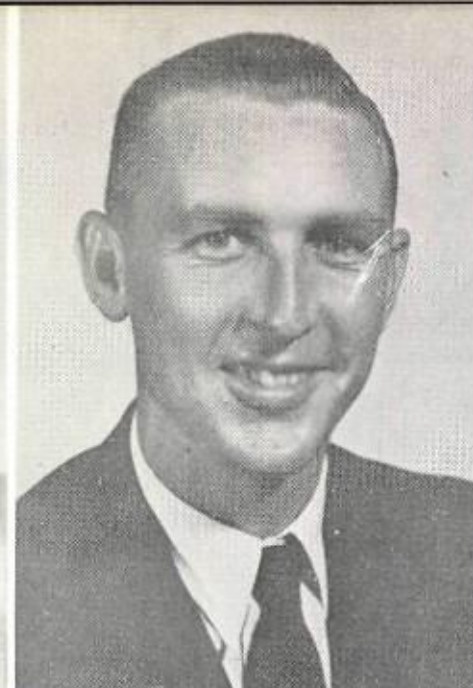

The faculty points proudly to the record of the students of our school. We believe that you will always be ready to accept the responsibilities of life and carry them on to a final solution.

As you travel down the highway of life, remember and NEVER FORGET your duty to God and your country.

Best wishes to the student body,

W. S. Thomas
